Dear parents,

It is with pleasure that we welcome you to a new school year. We are excited to receive our students with a fresh new start and an embraced change.

In order to be organized and prepared for an exciting year, it is important that your child comes to school every day with a pencil case that includes the following items:

- 2 sharpened pencils
- 1 white eraser
- 1 sharpener
- 1 ruler
- 2 white board markers
- 6 Labeled Plastic Folders (Arabic, 2 Reading Files, English, Math, Science) – These should be in your child’s bag at all times.

The following supplies will be collected by the teacher and shared among the students when necessary. Please do not label them:

- 1 glue stick
- 1 pair of scissors
- 1 box of coloring pencils

Please make sure to send a small/medium sketchbook with your child every time he/she has ART on his/her schedule.

Looking forward towards great expectations,

Sincerely,

Grades 1-2-3 Teachers
